ULTRA TECHNOLOGY by ARIOSTER HIGH-TECH

A close-up photograph of a textured surface with a blue-grey hue. The texture is uneven and granular, with darker and lighter patches of color. The lighting is somewhat directional, creating subtle shadows and highlights across the surface.

BLUE ZINC

A close-up photograph of a textured surface with a brownish-grey hue. The texture is similar to the blue zinc, showing a granular and uneven appearance with variations in tone and some darker spots.

BROWN ZINC

A close-up photograph of a textured surface with a light grey hue. The texture is granular and uneven, with some darker spots and a slightly more uniform appearance compared to the other two samples.

GREY ZINC
