Restretto

Restretto represents pure refinement. It's a surprisingly dynamic flooring solution for anyone who loves a linear look inside, even in a kitchen and bathroom. Restretto has the exceptional power to open up spaces, depending on the way the planks are laid, they can extend or broaden a room visually. So, Restretto is stylish, and smart. The question is: are you?

Restretto

4-sided natural V-groove
 Natural V-grooves are pressed in the top of the plank: the wood pattern runs into the bevel, enhancing the look of natural parquet.
