La naturalezza della pietra sedimentaria incontra il valore tecnico e la resistenza del gres porcellanato creando un prodotto universale adatto ad ogni destinazione d'uso, sia essa domestica o commerciale.

The natural look of sedimentary rock meets the high-tech value and strength of porcelain stoneware to create a universal product suitable for a great variety of different uses in the home and in commercial spaces.

La naturalité de la pierre sédimentaire rencontre la valeur technique et la résistance du grès cérame et crée un produit universel adapté à toutes les destinations d'usage, aussi bien domestique que commerciale.

Die Natürlichkeit des sedimentären Steins trifft hier auf den technischen Wert und die Strapazierfähigkeit des Feinsteinzeugs für ein universelles Produkt, das für jeden Verwendungszweck – daheim wie gewerblich – geeignet ist.

La naturalidad de la piedra sedimentaria se combina con el valor técnico y la resistencia del gres porcelánico, creando un producto universal adecuado para cualquier uso, ya sea doméstico o comercial.
