

КОЛОРИСТИЧЕСКИЕ КАРТЫ
ДЛЯ КОЛЛЕКЦИИ ЦИФРОВЫХ ПАННО

ПЕЙЗАЖ

В дополнение коллекции панно «Пейзаж» к каждой модели во всех ее цветовых вариациях дизайнеры LOYMINA Group подобрали гармонирующие оттенки-компаньоны из уникальной колористической системы Nuance — собственной разработки нашей лаборатории цвета. Эта система одинаково подходит для колеровки интерьерных красок из линеек Swiss Lake, Milq и Charmant. Каждый артикул из каталога панно дополнен тремя оттенками, позволяющими в полной мере раскрыть все детали авторского рисунка.
