en / Lagoon is a design material in porcelain stoneware inspired by Cardoso Stone: a collection in which painstaking detail and depth of colour evoke the expressive power of nature. The stylish, skilfully balanced, subtle veining effects and tone-on-tone streaks give the collection a contemporary character with a warm, inviting touch.

Die Ästhetik, die durch leichte Äderungen und Streifen im gleichen Farbton charakterisiert ist, verleiht einen zeitgenössischen Charakter mit einer warmen und behaglichen Konnotation.

L'esthétique, caractérisée par des veinages légers et des stries ton sur ton savamment déséquilibrées, confère un caractère contemporain, mais avec une connotation chaude et accueillante.
