## **Cos'è Vogue System**

Ceramica Vogue ha ideato Vogue System, innovativo sistema ceramico pensato per ogni tipo di ambiente, in grado di soddisfare le esigenze progettuali di architetti e interior designer. Più finiture nelle medesime tonalità di un'ampia gamma cromatica declinate su 3 moduli base quadrati e 4 moduli base rettangolari, si propongono come soluzione ideale per arredare spazi residenziali e commerciali, per rivestimenti esterni e per esigenze specifiche ove sia richiesto un prodotto antiscivolo.

## **What is Vogue System**

Ceramica Vogue has created Vogue System, an innovative ceramic system designed for all types of settings, able to satisfy the design requirements of architects and interior designers. Several finishes in the same shades of a wide range of colours in 3 square base modules and 4 rectangular base modules, are the ideal solution for tiling residential and commercial settings, for external wall tiling and specific needs which require non-slip products.

## **Was ist Vogue System**

Ceramica Vogue hat sich das Vogue System ausgedacht, ein innovatives keramisches System für jede Art von Umfeld, das den gestalterischen Anforderungen von Architekten und Innenarchitekten in jeder Hinsicht gerecht wird. Weitere Oberflächenausführungen in den gleichen Farbtönen mit großer Auswahl, 3 quadratischen und 4 rechteckigen Basismodulen, sind eine ideale Lösung für die Gestaltung von Wohn- und Gewerbeflächen, für die Verkleidung von Außenflächen und spezifische Bedürfnisse, die rutschhemmenden Oberflächen verlangen.

## **Qu'est-ce que Vogue System**

Ceramica Vogue a conçu Vogue System, un système céramique novateur réalisé pour tous les types d'environnements, en mesure de satisfaire les exigences conceptuelles des architectes et des designers d'intérieur. Davantage de finitions dans les mêmes tonalités d'une vaste gamme chromatique, déclinées sur 3 modules de base carrés et 4 modules de base rectangulaires, se proposent comme une solution idéale pour décorer les espaces résidentiels et commerciaux, pour les revêtements externes et pour les exigences spécifiques là où est requis un produit anti-dérapant.

## Grip R11 C (A+B+C)

Piacevolmente materica, la superficie di Grip garantisce massima aderenza e sicurezza in ambienti bagnati - R11 C (A+B+C) - rispondendo alle normative vigenti in termini di antiscivolosità. A corredo sono disponibili i pezzi speciali, soluzione ideale per spazi pubblici quali piscine e fitness center.

Pleasing and earthy, the non-slip surface assures grip and safety in wet areas - R11 C (A+B+C) - responding to the applicable non-slip regulations. The range comes with special pieces, the ideal solution for public areas including swimming pools and fitness centers.

Ein angenehmes Material, die Oberfläche Grip sorgt für maximale Haftung und Sicherheit bei Nässe - R11 C (A+B+C) - sie entspricht den geltenden Vorschriften in Bezug auf Rutschfestigkeit und Trittsicherheit. Dazu passend gibt es die Formteile, eine ideale Lösung für öffentliche Bereiche wie Schwimmbäder und Fitnesscenter.

Agréablement matériériste, la surface de Grip garantit l'adhérence et la sécurité maximales dans les environnements mouillés - R11 C (A+B+C) - en répondant aux normes en vigueur en termes d'anti-glissance. Il existe également, en assortiment, les pièces spéciales, solution idéale pour les espaces publics tels que les piscines et les centres de fitness.

## Flooring R10 B (A+B)

Flooring è la collezione per pavimenti adatta a rispondere alle normative vigenti e alle esigenze pratiche in materia di antiscivolosità in ambienti asciutti/umidi - R10 B (A+B). La superficie ruvida garantisce buona aderenza senza tuttavia trascurare l'attenzione all'estetica e la pulibilità.

Flooring is the floor tile collection which complies with the applicable standards in force and the practical demands for non-slip surfaces in dry and damp settings - R10 B (A+B). The rough surface offers good grip without compromising on attractiveness and cleanability.

Flooring ist die Kollektion für Bodenbeläge, die vollständig den geltenden Vorschriften und praktischen Anforderungen im Hinblick auf Rutschfestigkeit und Trittsicherheit in trockenen und feuchten Räumen - R10 B (A+B) entspricht. Die raue Oberfläche bietet eine gute Haftung, ohne dabei auf Ästhetik und Pflegeleichtigkeit zu verzichten.

Flooring est la collection pour revêtements de sols, adaptée à répondre aux normes en vigueur et aux exigences pratiques en matière d'anti-glissance dans les environnements secs/humides - R10 B (A+B). La surface rugueuse garantit une bonne adhérence, sans toutefois réduire l'attention portée à l'esthétique et à la facilité de nettoyage.

## Trasparenze

Lucida e brillante, Trasparenze è pensata per rivestimenti di spazi pubblici e privati contraddistinti da gusto ed eleganza. Le finiture del Vogue System si prestano a completare la pavimentazione di ogni ambiente arredato da Trasparenze.

Glossy and shiny, Trasparenze is designed for tiling elegant and tasteful public and private spaces. The Vogue System finishes are used to complete the flooring in any setting tiled with Trasparenze.

Die hochglänzende Oberfläche der Serie Trasparenze ist für öffentliche und private Räume bestimmt, die sich durch Geschmack und Eleganz auszeichnen. Die Oberflächenausführungen von Vogue System vervollständigen die Bodenbeläge in jedem Raum, der mit Trasparenze gestaltet ist.

Lustrée et brillante, Trasparenze est conçue pour les revêtements d'espaces publics et privés caractérisés par le goût et l'élégance. Les finitions du Vogue System sont adaptées pour compléter le revêtement de chaque environnement utilisant Trasparenze.

## Interni

Estremamente versatile grazie all'ampia scelta di formati modulari corredati di tozzetti e pezzi speciali, Interni può essere abbinata alle altre finiture del Vogue System per arredare interni ed esterni di ambienti pubblici e residenziali.

The wide range of modular sizes, insets and special pieces make Interni extremely versatile. It can be combined with the other Vogue System finishes to tile public and residential interiors and exteriors.

Die Serie Interni ist extrem vielseitig, dank der großen Auswahl an zusammenstellbaren Formaten mit Einlegern und Formteilen, und kann mit den anderen Ausführungen des Vogue Systems kombiniert werden, um Außen- und Innenbereiche öffentlicher und privater Bereiche zu gestalten.

Extrêmement versatile grâce au vaste choix de formats modulaires accompagnés de cabochons et de pièces spéciales, Interni peut être assortie aux autres finitions du Vogue System pour revêtir les intérieurs et les extérieurs d'environnements publics et résidentiels.
